

**Sixth Street Viaduct: Response to Questions on Request for
Proposal by the Prospective Consultants**

Following are the answers to questions received on the Request for Proposal (RFP) for the In Depth Cable-Stayed Inspection and Evaluation for the Sixth Street Viaduct Cable-Stayed Bridges (B-40-413A and B-40-414C).

1. How do we confirm if a prospective subconsultant is registered as an M/W/SBE Firm with the City of Milwaukee?

ANSWER: If you have questions on M/W/SBE certified firms, please contact the Office of Small Business Development at (414) 286-5553.

2. Will a Wisconsin Department of Transportation Highway Structure Information System inspection report have to be created and entered into the system?

ANSWER: The consultant is not responsible for creating and submitting a report to the WisDOT HSIS System. The final report shall be a stand alone document for the City of Milwaukee's use.
